

Textbook List - Updated 8/2010

It is your responsibility to ensure that you purchase and have the appropriate text/s available prior to the beginning of each quarter. You may purchase new or used, unless otherwise specified, through any of the sources listed at the end of this book list. This list is not all inclusive. Text requirements are subject to change due to edition, course or curriculum changes. In addition to the following textbooks, you will also need the usual school supplies: notebooks, paper, etc.
